## STATEMENT OF PATIENT FINANCIAL RESPONSIBILITY

Thank you for choosing Chesapeake Health Care (CHC) for your healthcare needs. We are honored by your choice and we are committed to providing you with the highest quality healthcare. We ask that you read the following information to understand our policy regarding self-pay patients and the sliding fee scale discount that we offer, as follows:

Please be aware that CHC expects the information you provide to apply for the sliding fee discount to be true, complete and accurate. The information that you are providing concerning the size of your family (i.e., as family composition would be reported on an IRS tax return) and your family's gross annual income, from all sources (e.g., earned income, Social Security benefits, SSI, unemployment benefits, etc.), must be correct to the best of your knowledge. CHC may request additional information, if needed, to determine eligibility. You are also responsible for promptly notifying CHC of changes in insurance, family income or size.

CHC relies on the information concerning your financial situation and your means and ability to pay in order to determine the applicable discount for services rendered to you.

Therefore, if CHC has reason to suspect that the information you have given is untrue, incomplete or inaccurate or that you have not properly reported changes, CHC may initiate a review of your financial status. If you are found to have provided untrue information, you may be billed for any discounts you have received and possibly forfeit eligibility for the sliding fee program.
