

Community Supports Grant Program

Worcester County School-Based Special Programs

Chesapeake Health Care (CHC), in partnership with Worcester County Public Schools, offers comprehensive school-based mental health programs. Our services include:

Therapeutic Groups: Tailored to assess and address student needs.

Connective Services: Assistance with translators, outreach workers, counselors for financial aid, peer support, and more.

Evidence-Based Programs: Trauma-informed initiatives for students.

School-Based Programs

- **MATCH-ADTC:** Ages 6-18 (grades 1-12), for anxiety, depression, trauma, and conduct issues.
- **THE STUDENT CHECKUP:** Ages 12+ focusing on academic behaviors and substance use.
- **UP-C/UP-A:** Ages 7-18, treating anxiety and social disorders.

For more information about our School-Based Special Programs, scan the QR code below.

Registration Form

To begin, please complete the information below or call the CHC Behavioral Health office located at 305 10th Street, Suite 103, Pocomoke City, MD 21851. Tel: 410-957-1852. We will contact you to arrange your child's group session.
